

3Way LED Light HOTARU

Torch/Pendant Light
IDEA International Co., Ltd.

■ The Concept

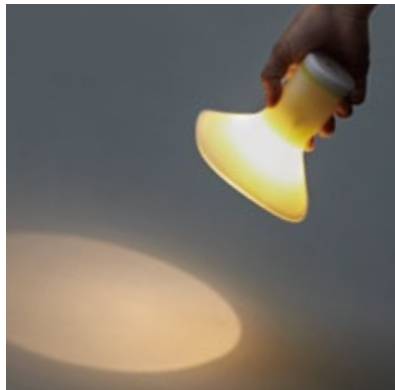

HOTARU which means firefly in Japanese guides you with a soft and natural light wherever you go. This cordless rechargeable LED light is for multi-use. You can place it, hold it, or hang it. Discover your own way how to use HOTARU. The designer's idea to use a square figure instead of round on the head, both creates fresh image and prevents from the product to roll off.

■ How to Use (some examples...)

Place it

Use it as a bed side table light when reading books or taking care of new born babies at night.

Hold it

Use it as a torch light in case of emergency or when you are camping outdoors.

Hang it

Use it as a unique pendant light by hooking it from a wall or hanging it from a branch outdoor.
