■ Designer's Concept

Tattoo on your iPhone
iTattoo is an iPhone case with a unique concept.
When the case is used with the iPhone, the illustration on the iTattoo complements the shape of the "Apple" mark and makes a complete graphic. Available for iPhone 4 & iPhone 4S only.
iPhone 4 and iPhone 4S are registered trademarks of Apple Inc.

Designer: CEMENT PRODUCT DESIGN
CEMENT PRODUCT DESIGN is the Japan base design firm who works for wide range of the field. They focus on Japanese local industry and produce many collaborating works.

■ Variation

Larva Loves Apple
Good Apples can't be denied.

I'm a Believer
I believe in Apple products!

Apple Core
No matter how smaller it gets,
Apple is Apple.

Queen of Fruit
Among all the fruits,
Apple is the best.

It is iPhone.
A message of innovation.

Main Dish
What a gorgeous dish!

Highway
Where are they taking it ?!

Dress it
It doesn't want to be naked

Don't feed the bird
They like it so much!

Keyboard
A familiar place for all Mac fans.
